

ISTANBUL TECHNICAL UNIVERSITY
ELECTRONICS AND COMMUNICATION
ENGINEERING DEPARTMENT
SENIOR DESIGN PROJECT
TOPIC SUGGESTION FORM

PROJECT TOPIC SUGGESTED BY:

Faculty member: Student Project Team: Industry Representative:

1. PROJECT TITLE

The title of the project should get written here.

2. PERSON SUGGESTING THE PROJECT TOPIC

Full name of the person suggesting the project topic with her/his title will come here. If suggested by a student project team, the names of the team members should get written at item "9".

3. SUPPORTING INSTITUTIONS (IF ANY)

If there any supporting institutions (academia, governmental or industrial), they should be mentioned here.

4. PROJECT AIM

The expected achievements and end results targeted by this project should get explained here.

5. PROJECT PREREQUISITES

Any academic or skill requirements that should be fulfilled by project team members prior the project initiation should be listed here.

6. EXPECTED PROJECT OUTCOMES

Expected project outcomes should be itemized here.

7. MINIMUM SUCCESS CRITERIA

What is the minimum criterion for the project team to claim success?

8. NUMBER OF STUDENTS IN THE PROJECT

How many students can participate the project team?

9. STUDENT PROJECT TEAM (if already determined)

Member #	Name/Surname	Student number	Signature
1			
2			
3			

Student project groups of “2 to 3 students” will be formed. **Exceptionally**, if a project is to include only 1 student or a group of 4 students, a written petition stating the justification must be submitted by the Advisor to the EHMB Department for approval.

Project Advisor (if already determined)		
Project Advisor’s Signature		Date
